

joystick controlled. NOTE: For best results, tap the joystick lightly when changing the menu selections.

**Flie über:** Press the button to activate (to advance past) text screens, and most other screens in the game, press the button. You will see the Fort 30a menu. The choices on the menu are: WAR ROOM, FIRE, REPORT, A COURT LIAISON, and LOCKDOWN. Select the menu item you wish to activate. Press the button to activate the menu item. You will see the Fort 30a menu. The choices on the menu are: WAR ROOM, FIRE, REPORT, A COURT LIAISON, and LOCKDOWN. Select the menu item you wish to activate. Press the button to activate the menu item.

**War Room:** You have five agents that will help you find the rocket parts, enemy targets, and enemy bases. There are 28 different regions you can access here, corresponding to your Secret Decoder. The following icons can appear on the map - some immediately, and some only after your agents find them.

**Agents:** You have five agents that will help you find the rocket parts, enemy targets, and enemy bases. There are 28 different regions you can access here, corresponding to your Secret Decoder. The following icons can appear on the map - some immediately, and some only after your agents find them.

**Change order:** The first time you place an agent into a region, you may not select this option. You may only order an agent to **ORGANISE RESISTANCE** AFTER you have successfully **IMPLANTED** a country. Put the selector bar on that region and press the button to change order.

**Report:** When assigned agents in RESERVE/AS ASSIGNED, you may select this option. You may only order an agent to **ORGANISE RESISTANCE** AFTER you have successfully **IMPLANTED** a country. Put the selector bar on that region and press the button to change order.

**Secret Decoder:** You may select this option to go back to the main War Room map.

**Flie über:** Press the button to activate (to advance past) text screens, and most other screens in the game, press the button. You will see the Fort 30a menu.
