BARCELONA 06-02-96

Hola amigos.

Tal como habiamos prometido, nos enorgullecemos en presentar un nuevo cd-rom para AMIGA: el conmemorativo AMICD-10, que sabemos a ciencia cierta sera de vuestro agrado.

Como podreis observar, el cd esta a rebosar de juegos, demos, utilidades, etc... por lo que muchos tendran que callar sobre el fin del AMIGA.

Bueno, no queremos entreteneros con esta introduccion, solo os diremos que os esperamos encontrar en el siguiente cd-rom, el AMICD-11.

Hasta pronto.
